Social Story

18 September – 11 October 2026

Orange Blossom Festival

Bella Vista Farm

Elizabeth Macarthur Drive, Bella Vista, NSW, 2153

I am going to the 2026 Echoes Moon Garden at Bella Vista Farm.

It is on from Friday September 18 to Sunday 11 October 2026.

Gates will open at 6:00pm.

This event is for people to come together to enjoy light installations and displays

I will need to wear comfortable shoes because there is grass and dirt pathways at the farm.

I might like to bring a water, a jacket or umbrella as the event is outside.

There is one entry gate to Bella Vista Farm.

Accessible parking is located off Elizabeth MacArthur Drive, Norwest.

I might see parking attendants that will help direct me.

When I arrive, I will see an entrance archway, a merchandise booth, staff and security.

Staff can answer questions and help me with directions.

There will be toilets, including an accessible toilet.

My support person can show me where the toilets are.

There will be lots of different things to see.

There might be flashing lights and sound. I can wear my ear defenders or sunglasses to help me.

I might also want to go to a low-sensory session where there are less people and softer lighting.

Low-sensory sessions will be at 6:15pm on 18th September – 3 October or 7:30pm on 4th – 11th October.

There will also be food trucks.

I might bring some money to buy food or a drink.

There might be lines. I will try to wait
patiently for my turn.

Waiting my turn is the fair thing to do.

Echoes Moon Garden at Bella Vista Farm
is a fantastic event!
